

DIPLOMA IN SCIENTIFIC HALAL PRACTICES

DSHP

KPT/3PT (R/541/4/0027) 12/25

Work towards a career in the global halal industry by joining INTEC Education College

INTEC Education College is one of the few higher learning institutions in Malaysia which offers students the opportunity to gain specialised knowledge in halal practices. The 2-year diploma programme will provide you with the skills which are in demand throughout the global halal industry.

FACTS

- The global community recognises the demand for halal services and products.
- More countries are imposing the mandatory halal labelling and certification requirement.
- The halal food market is projected to reach USD\$3.9 trillion by 2027.
- Malaysia ranks among the top based on the Global Islamic Economic Indicator for Islamic finance, halal food, and Muslim-friendly travel.

SPECIAL FEATURES

The halal industry is not just related to the production of food. Knowledge of halal practices is also needed in numerous industries including :

- Tourism
- Pharmaceutical
- Cosmetic
- Healthcare
- Logistics
- Packaging
- Branding Industries

WHY CHOOSE INTEC EDUCATION COLLEGE?

- Earn your Diploma in just two years.
- Benefit from the guidance and support of experienced lecturers.
- INTEC has successfully developed its homegrown Diploma programmes.
- Well-established higher learning institutions with a proven track record.
- Located in a quiet suburban setting in Shah Alam, we offer a very affordable option for quality education.
